

7 OUTLET ADVANCED POWERSTRIP

Provides fireproof surge protection and reduces standby power consumption of PC and TV peripherals

OVERVIEW

Advanced Powerstrips (APS) provide premium quality, fireproof surge protection for PC and TV peripherals. They also reduce the amount of standby energy consumed by PC and TV peripherals. Each APS has inbuilt current sensing circuitry to sense when a Control Device (typically a TV or PC) is On or Off. Easy to install and provides simple automation to reduce wasteful standby energy consumption. Suitable for residential and workplace applications. TrickleStar Advanced PowerStrips are the product of choice by more than 30 utilities and efficiency programs nationally.

KEY FEATURES

- 7 Outlets
- 1 Control Outlet
- 2 Always On Outlets
- 4 Switched Outlets (1 outlet transformer spaced)
- 15A resettable circuit breaker
- Auto-Disconnection if surge fails
- **36,000 Amps / 540 Joules**
- Ceramic Surge Protection
- Standard NEMA plug
- Heavy duty cord

FIREPROOF SURGE PROTECTION

Traditional surge suppression products use standard MOV (Metal Oxide Varistor components). TrickleStar APS' incorporate advanced surge protection technology. The MOV's are encased in a ceramic casing and are capable of suppressing more energy and dissipating heat faster than traditional MOV's. More importantly the ceramic casing is fireproof and is capable of preventing fire during abnormal surge conditions.

PRODUCT WARRANTY

Lifetime product warranty
\$5,000 connected equipment warranty (185SS-US-7**)

APPLICATION DIAGRAMS

ELECTRICAL SPECIFICATIONS

FOR INDOOR USE

Voltage	120 VAC +/- 10% 50Hz
Power Rating	15A
Switching Threshold	10W
Surge Protection	36,000 Amps / 540 Joules
Voltage Protection Rating	L-N 400V L-G 400V N-G 400V
Standby Power Consumption	<1 Watt

PHYSICAL SPECIFICATIONS

Operating Temperature	32° to 113°F
Storage Temperature	14° to 140°F
Humidity	5 to 90% N/C
IP Rating	IP20

APPROVALS

Conformity to product standards for safety and EMC.
 UL (US & Canada)
 2002/95/EG (RoHs)
 2002/96/EC (WEEE)
 1999/5/EC (RTTE)

ORDERING INFORMATION

185SS-US-7XX 7 Outlet Advanced PowerStrip,
 540 Joules Surge Protection, 3ft cord
