

9 Watt A19 LED Lamp

Our dimmable 9 watt A19 LED Lamp is equipped with a 300° beam angle that produces even light from the socket base in all directions. The lamp is equivalent to a 60 watt incandescent and has a standard medium base. This allows the lamp to be easily installed into existing table and floor lamps, ceiling fixtures, sconces, pendants and decorative chandeliers.

Features

- 25,000 hour average life
- 60 watt equivalent
- Dimmable
- Omni-directional
- Mercury and lead free
